

T-i^X 2000

Electronic Coin
& Bill Counter

COUNTS YOUR
CASH IN
60 SECONDS

The Tellermate T-i^X 2000 accurately counts a cash drawer in under a minute, reducing errors and giving you more time to focus on profit producing tasks.

The T-i^X 2000 cash counter is designed to streamline your cash management processes.

It can quickly and accurately count a drawer of coins, bills and coupons saving you valuable time. When combined with a Tellermate printer, you can print reports for even greater accountability.

The T-i^X 2000 helps you prepare more efficient bank deposits with a feature that alerts users to errors in straps, ensuring that deposits are correct the first time.

FEATURES

Two counting tasks for closeouts and deposits

Customizable bank values

Option to connect to a Tellermate printer

Multiple currency options available

Software upgradeable via USB drive

Smart, simple and tough

We design our cash counters so that anyone in your business can learn to use them quickly and easily.

Our intuitive menu guide users through the steps of each counting task. The large backlit display makes features easy to find and use.

Our cash counters are light, portable and tough with a liquid resistant key mat to protect against spills.

Customer Support

The Tellermate Customer Support team is there to help you every step of the way. Our team is able to solve the majority of customer queries over the phone, easily & efficiently.

Features

The T-i^X 2000 can count loose coins & bills, strapped bills, rolled coin and coupons.

Control

A large backlit display with clear icons and keypad is easy to use and read, preventing usage errors.

Connect

Data can be sent to a Tellermate printer, giving you an excellent overview of your cash management.
