

# T-i<sup>X</sup> 1000

Electronic Coin  
& Bill Counter

COUNTS YOUR  
CASH IN  
60 SECONDS

The Tellermate T-i<sup>X</sup> 1000 accurately counts a cash drawer in under a minute, reducing errors and giving you more time to focus on profit producing tasks.

*The T-i<sup>X</sup> 1000 cash counter is easy to use, with one count task to make your cash counts faster and more accurate.*

It can quickly and accurately count a drawer of coins, bills saving you valuable time. With a single, versatile count task and automatic adding and scrolling, your count is further simplified without the need to press additional buttons.

The T-i<sup>X</sup> 1000 provides a summary screen at the end of your count that gives you a full breakdown of denominations and totals, preventing mathematical errors or the need for a calculator.

## FEATURES

One count task for simplified counting

Automatic adding and scrolling

Software upgradeable via USB drive

Easy to use

# Smart, simple and tough

**We design our cash counters so that anyone in your business can learn to use them quickly and easily.**

Our intuitive menu guide users through the steps of each counting task. The large backlit display makes features easy to find and use.

Our cash counters are light, portable and tough with a liquid resistant key mat to protect against spills.

## Customer Support

The Tellermate Customer Support team is there to help you every step of the way. Our team is able to solve the majority of customer queries over the phone, easily & efficiently.

## Features

The T-i<sup>X</sup> 1000 can count loose coins & bills, and rolled coin.

## Control

A large backlit display with clear icons and keypad is easy to use and read, preventing usage errors.
